

REMARKS

Claims 1, 2, 5-9, 11, 12, 14, 15 and 17-20 were pending in the present application at the time of the July 2, 2007 Office Action. By this Amendment, Claims 17 and 19 are amended, claims 1, 2, 5-8, 11, 12, 14 and 15 were previously withdrawn and are now cancelled, and claims 9, 18 and 20 remain unchanged.

Claim Objections

Claims 9, 17, 18, 19 and 20 stand objected to due to informalities. Regarding claim 19, the Examiner suggests amending “frequency error correcting” to --frequency error corrector-- or --frequency error correcting device-- or other similar language. Applicant hereby amends claim 19 to recite “frequency error corrector.” Claim 17 is amended to correct the typographical errors pointed out by the Examiner.

Accordingly, Applicant believes the objections have been overcome and withdrawal of the objections is respectfully requested.

CONCLUSION

In view of the remarks set forth in this Response to Office Action, it is respectfully submitted that the present application, including Claims 9, 17, 18, 19 and 20, is in condition for allowance. Therefore, it is respectfully requested that the foregoing amendments be entered and the application be promptly allowed.

The Examiner is invited to contact the undersigned if such contact would in any way facilitate and/or expedite the prosecution of this application.

Respectfully submitted,

Date: August 16, 2007
